Subject: BMP COVID-19 Update

Best Metal Products continues to implement our Infectious Disease Prevention and Outbreak Response Plan. As of March 23, 2020, the State of Michigan Governor Whitmer has signed a “Stay-At-Home” order effective Tuesday, March 24, at 12:01am in responses to COVID-19 Coronavirus for at least the next three (3) weeks.

Essential work employers are to remain open and operational.

**Best Metal Products is considered an essential employer** because we supply cylinders to **Agricultural, Municipalities, Transportation, Medical and other critical infrastructure industries for our OEM customers.**

The complete scope of the Critical Infrastructure Sector can be found at <https://www.cisa.gov/critical-infrastructure-sectors>
